ABOUT  
NON-MEDICAL  
UNDERWRITING**

With more people headed towards retirement, the importance of retirement readiness has never been greater. And when planning for a retirement future, cash value accumulation and protecting what your clients have already saved is vital. They want to live comfortably and still leave a legacy for their beneficiaries.

Your clients can get a healthy balance of both with Max Accumulator+ II. It offers strategies and features for more cash value and income potential while protecting against market loss. And it's faster and easier to acquire, thanks to non-medical underwriting. All of these benefits make it a nice complement to other assets in a retirement portfolio.

**We see the future in you.™**
